Sexy damsel Rozlyn Khan is again in news again but this time thanks to Ram Gopal Varma.

Rozlyn is recently seen visiting Ram Gopal Varma's studio with her manager. When she entered the studio while crossing a canteen, which is a part of the studio, some people saw her going inside. After her entry, producer, director [Ram Gopal](#)

Varma also entered the studio and both then went to Ramu's cabin.

According to sources, RGV discussed a script with her about his next movie, which is based on controversial Indian porn cartoon character *Savita Bhabhi*. The movie is supposed to be directed by a new director and RGV will produce it. The sources further revealed that Rozlyn Khan will be playing the lead role of *Savita Bhabhi*.

Everyone in India knows that *Savita Bhabhi*, the pornographic cartoon character and its site are already banned by the Indian government.

If sources to be believed, the planned film will be a sex comedy.

To buttress the facts, Rozlyn has recently uploaded some pictures on the net in red bikini (red is known to be the colour of *Savita Bhabhi*). We also noticed that the bikini top worn by Rozlyn has alphabet "S" written on it. Is it a part of the photo shoot Rozlyn did for the movie?

Let's wait and watch for controversial babe Rozlyn Khan as *Savita Bhabhi*.
